

Girl Scouts of Eastern Iowa and Western Illinois

**Program Credit Banking Form**

Junior, Cadette, Senior, and Ambassador Girl Scouts may “bank” their Program Credit for future use. Program Credit may be banked for High Award expenses, Girl Scout travel experiences or Lifetime Membership fees. Program Credit must be submitted/postmarked, no later than the expiration date of the Program Credit account number.

Credits are available until a girl achieves adult Girl Scout status (the September following her high school graduation) or there is a lapse in her membership. Refunds will not be issued if the credits are not used for a destination, Girl Scout trip, High Award or Lifetime Membership. Additional credits may be added to the bank at any time and there is no limit to the number of withdrawals that can be made.

Receipts must be submitted in order to use credits that have been banked. In most cases, a check will be written directly to the location or organization where the credits are being used.

Destination, High Award or Extended Trip Event Name: (List if known)  
(You may change the trip or event that you are banking credits for if plans change.)
