Share your goals with friends and family

1 Start by going to your council's website and clicking on the link to participate in the online portion of the program.

2 Enter your goals and your progress will appear on your online site for friends and family to see.

3 Check the dates of the product program and make sure to have all orders before the end date.

4 Practice telling customers about the benefits of buying and reading magazines. You might even suggest specific magazines to friends and family based upon your knowledge of their interests.

5 Thank every customer, whether they buy online or in person.

6 Make sure to follow all Girl Scout safety activity checkpoints for computer/online use and council sponsored product program. Only contact people you and your family know.

Mark your progress in the tree as you get closer to reaching your goal.

All About Ocelots

Scientific Name: Leopardus Pardalis

Length: 2.2 – 3.3 feet

Tail length: 10 – 18 inches

Weight: 18 – 34 pounds

Gestation Period: 79 – 82 days

Diet: They are carnivores that mostly prey on mammals, reptiles, birds, fish, and crustaceans. Their largest prey items include large rodents, armadillos, sloths, monkeys, hoofed animals.

Characteristics: Has gray to golden brown fur. Their brown spots and patches are bordered by black on their sides. Their spots can come in many patterns. It has two to three stripes on its cheeks and four to five horizontal stripes on its neck and chest.

Interesting Facts:

- Ocelots live in rainforests
- Ocelots are picky eaters
- Ocelots are nocturnal
- Ocelot's coats are unique (no two ocelots have the same markings)
